**THE BAIRD NURSING HOME ANNOUNCES ADDITION  
OF LICENSED PRACTICAL NURSE**

**Rochester, N.Y. – Baird Nursing Home**, located at 2150 St. Paul Street, in Rochester, New York, announces the addition of **Victoria Zurwell** as **Licensed Practical Nurse**.

In her new role, Zurwell will provide patient care, including the administration of medication to residents, and aiding in treatments provided to residents. She previously served as a nurse in the United States Armed Services for 13 years, and brings 18 years experience to the position. Zurwell currently resides in East Rochester, New York.

The Baird Nursing Home is a proud member of the Rochester Health Care community since 1962, with Stephen T. Heard as owner and operator. The Baird is a skilled nursing facility that provides senior adults with a safe, caring, home-like family environment with private and semi-private accommodations for just 28 residents. The professionally trained staff members, including nurses, certified nursing assistants, occupational and physical therapists, dietary and nutrition specialists, and activity personnel, provide residents with 24-hour personalized care and treatment. Located at 2150 St. Paul Street, The Baird Nursing Home is nestled in a scenic residential area of Rochester, just opposite the Seneca Park Zoo.
